

Item 11:

Debate

**« Youth in transport »**

# Youth in transport debate

## Working groups

- Young workers in Europe
- Young workers in trade unions
- European crisis
- Gender Equality
- Transport and climate change

Working group

# **Young workers in Europe**

# Young workers in Europe

- **Problem:**
  - Youth unemployment in Europe
  - Transition from education to work
  - Young people in Europe are being forgotten
- **We commit to:**
  - Create a database
  - Raise the youths' voice to attract attention
  - Annexes to CBA's
- **We ask commitment to:**
  - More pressure on politicians by ETF
  - Ensure seats for young workers in decision making bodies

Working group

**Young workers in trade unions**

# Young workers in trade unions

- **Problem:**
  - trade unions' bad image
  - Lack of knowledge on trade unions
- **We commit to:** campaign to attract more young workers to trade unions
- **We ask commitment to:**
  - support young trade unionists with resources
  - Ensure young workers' involvement in trade union decision making bodies

Working group

**European crisis**

# European crisis

- **Problem:**
  - Youth unemployment in Europe
  - Different training systems in Europe
  - Recognition of qualification
- **We commit to:**
  - Collect info on training systems in Europe
  - Develop ideas for European labour market
  - European labour protection act
- **We ask commitment to:**
  - continue to provide resources

Working group

**Gender equality**

# Gender equality

- **Problem:** Male dominated sector which is not attractive for young women
- **We commit to:**
  - Educational day for daughters campaign
  - Involvement of young men in young women meetings
  - Youth friendly gender label
- **We ask commitment to:**
  - Ensure a full time person in ETF for young female workers
  - Ensure involvement of young women in social dialogue
  - Coordination between women's committee and ETF youth committee

Working group

# **Transport and climate change**

# Transport and climate change

- **Problem:** Lack of awareness
- **We commit to:** develop a training module on climate change
- **We ask commitment to:** (continue to) provide resources

# Conclusion

# To conclude

- **The ETF Youth commits itself to work on**
  - Young workers in Europe
  - Young workers in trade unions
  - European crisis
  - Gender Equality
  - Transport and climate change
- **We need the commitment of the ETF and its affiliates to:**
  - Ensure young workers' involvement in trade union decision making bodies
  - (continue to) provide financial resources
  - (continue to) provide human resources
